JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Owners of dairies to report to the board of health any knowledge they may have as to impurity of milk.—SEC. 22. It shall be the duty of the owner, agent, or manager of any dairy or dairy farm in the city of Vallejo, or of any dairy or dairy farm from which milk is brought into this city to forthwith report to the board of health of said city in writing anything of which he has knowledge or notice tending to render milk obtained from such dairy unwholesome, impure, or unhealthy.

Interference with officers of the board of health in performance of their duty prohibited.—SEC. 23. It shall be unlawful for any person or persons, firm, or corporation to obstruct or interfere with the said board of health or any officer, agent, or employee of said board in the performance of any of the duties required by this ordinance.

Milk coming from outside the city to be exposed for inspection.—SEC. 24. It shall be the duty of all owners or consignees of milk brought into the city of Vallejo by any water craft, to have the same tendered and exposed for inspection by the said board of health, its officers, agents or employees according to the requirements of said board of health: *Provided*, That said milk shall not be detained for inspection for a longer period than one hour. It shall be the duty of the owner or consignee of milk brought into the city of Vallejo by land over any road or railroad leading into Vallejo to cause the same to be tendered and exposed for inspection according to the requirements of said board of health: *Provided*, That said milk shall not be detained for inspection a longer period than one hour.

Milk to be tightly covered.—SEC. 25. It shall be unlawful to sell, offer for sale, expose for sale, or ship into the city of Vallejo for human consumption, any milk or cream in any tank or container holding more than 3 gallons, which is not provided with a proper and tight-fitting mushroom cover.

Penalty for violation of provisions of this ordinance.—SEC. 26. Any person who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not less than \$25 and not more than \$500, or by imprisonment in the county jail for not more than 100 days.

Cows—Keeping of, Within City Limits. (Ord. 77 N. S., Aug. 20, 1912.)

SECTION 1. It shall be unlawful for any person, firm, association, or corporation to keep or cause to be kept any cow or cows within the corporate limits of the city of Vallejo without first obtaining from the board of health of said city written permission so to do. Such permission shall not be granted unless an application therefor shall be made in writing and filed with the secretary of the board of health.

SEC. 2. Any person, firm, association, or corporation who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine not to exceed \$60 or by imprisonment in the city jail for not more than 60 days, or by both such fine and imprisonment.

SEC. 3. Ordinance No. 345, entitled "An ordinance prohibiting the keeping of more than two cows within the corporate limits," adopted March 31, 1910, and all ordinances, in so far as they conflict with this ordinance, are hereby repealed.

Communicable Diseases—Information Concerning, to be Supplied by Board of Health. (Ord. 90 N. S., Aug. 22, 1912.)

SECTION 1. The board of health shall send to the superintendents, principals, and teachers of all public, parochial, and private schools, at least once in each school year, circulars prepared under the direction of the health officer, giving a description of the symptoms of the communicable diseases of children, and of the parasitic diseases of the skin, including pediculosis, scabies, and favus.

SEC. 2. The board of health, upon obtaining information as to the existence of a case of tuberculosis or pneumonia, shall send to the physician, surgeon, or nurse or other person attending the case, printed circulars, giving, in clear and simple language, information concerning the communicability, dangers, and methods of prevention of

tuberculosis or pneumonia, as the case may be, together with a request that the circulars be given to the parent or to a responsible member of his family.

SEC. 3. The board of health, upon the request of a physician, surgeon, nurse, or other person attending a case of tuberculosis, shall send a representative to the house of the patient to give information concerning the communicability, dangers, and methods of prevention of tuberculosis.

SEC. 4. The board of health, upon obtaining information as to the occurrence of a case of tuberculosis in any tenement house, hotel, lodging house, boarding house, hospital, prison, or asylum, shall send a representative to leave circulars, as provided in section 2 of this ordinance, and to give information as provided in section 3 of this ordinance.

SEC. 5. The board of health, upon obtaining information as to the occurrence of a case of tuberculosis of any person unable to pay for medical assistance, shall send the city physician to take charge of the case and to report the same to the health office.

SEC. 6. The board of health shall preserve all reports upon cases of tuberculosis and the records of the same.

SEC. 7. The board of health shall once each year, or oftener if necessary, send to every physician, surgeon, and nurse, printed circulars giving a description of the most approved methods of destruction or disinfection of the discharge of persons having actinomycosis, bronchitis, cholera, cholera infantum, diphtheria, dysentery, influenza, measles, pneumonia, rubella, scarlet fever, laryngeal and pulmonary tuberculosis, and typhoid fever, and all contagious diseases.

SEC. 8. It shall be unlawful for any person or persons, firm, or corporation to obstruct or interfere with the said board of health, or any officer, agent, or employee of said board, in the performance of any of the duties required by this ordinance, and any person, persons, firm, or corporation so obstructing or interfering with the said board of health, or any officer, agent, or employee of said board, shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$60 or by imprisonment in the county jail for not more than 60 days, or by both such fine and imprisonment.

Tuberculosis—Reporting of Cases of—Precautions to Prevent Infection. (Ord. 101 N. S., Aug. 24, 1912.)

Reports of physicians and others.—SECTION 1. Tuberculosis is hereby declared to be a communicable disease dangerous to the public health. It shall be the duty of every physician practicing in the city of Vallejo, and of every person in charge of any hospital, dispensary, or other private or public institution in said city to report in writing to the board of health the name, age, sex, color, occupation, address, and place where last employed of every person having tuberculosis which comes under his care or observation. Said reports shall be made in writing on a form furnished as hereinafter provided, and shall be forwarded to said department of public health within 24 hours after knowledge of the case comes to said physician or person.

Examination of sputum.—SEC. 2. It shall be the duty of the health officer, when so requested by any physician or by authorities of any hospital or dispensary, to make, or cause to be made, a microscopical examination of the sputum sent him as that of a person having symptoms of tuberculosis, accompanied by a blank giving name, age, sex, color, occupation, place where last employed, if known, and address of the person whose sputum it is. It shall be the duty of the health officer to promptly make a report of the results of such examination free of charge to the physician or person upon whose application the same is made.

Protection of records.—SEC. 3. It shall be the duty of the health officer to cause all reports and all results of examination showing the presence of bacilli of tuberculosis made in accordance with provisions of sections 1 and 2 respectively of this ordinance
